Please evaluate the following aspects

Items	Excellent	Good	Fair	Not Satisfactory	Poor
1. This report comprehensively and accurately reflects the significant impact of China Unicom on economic, social and environmental?					
2. Response and disclosure in this report to the concerns of stakeholders?					
3. Information, indicators and data disclosed in this report are distinct, accurate and complete?					
4. Readability of this report, i.e. logic thread, content design, language and wording and layout design of the report?					

Other recommendations:

1. Which aspect did you find most satisfying in this report?

2. Any additional information you would like to know but did not cover in this report?

3. Any suggestions on our social responsibility reports in the future?
