

Our Talented People

WITH INNOVATIVE MINDSET

>240,000 staff members

collaboration with 14 strategic investors
(Tencent, Baidu, JD.com, Alibaba, Suning...)

>1,000 members in “5G Application
Innovation Alliance”

Human to human, human to thing, thing to thing connections

3 gigabit-networks: 5Gⁿ, Wifi6, Fibre-to-the-home

Our Talented Networks

EMPOWER INNOVATIVE CONNECTIVITY

5Gⁿ-intelligent network

- Super fast speed: >1Gbps
- Massive connectivity: 1 million connected devices per km² by one 5G base station
- Ultra low latency highly reliable: milli-second

The world's first and largest 5G co-build co-share network (>380,000 5G base stations) effectively sharpens the edges & return with win-win

Our Talented Applications

BRING INNOVATIVE

COMPELLING EXPERIENCE.

>70 million 5G package subscribers

>250 5G lighthouse customers
