CORPORATE GOVERNANCE REPORT

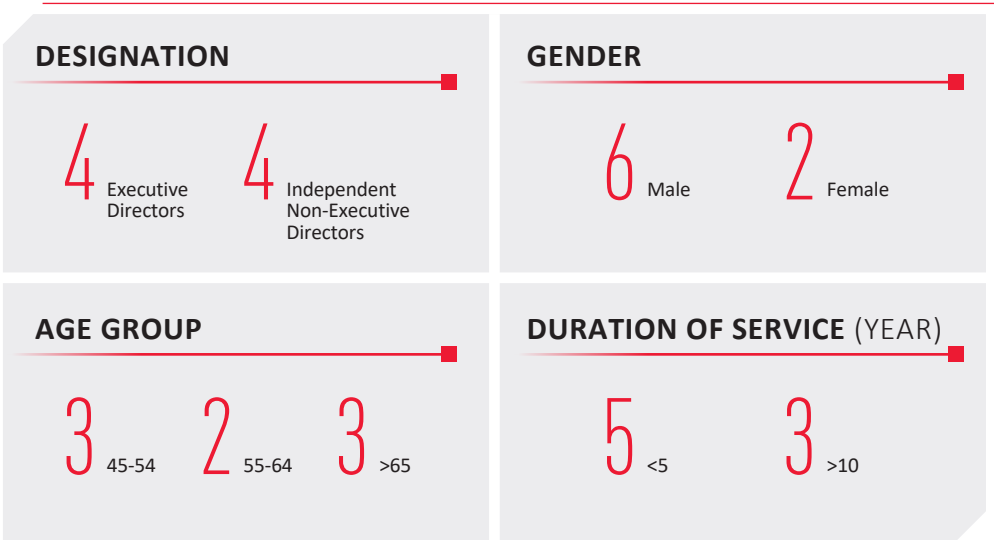

Part 2 of the Corporate Governance Code as set out in Appendix C1 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Hong Kong Stock Exchange”) (the “Listing Rules”) provides for code provisions (the “Code Provisions”) and recommended best practices with respect to (i) corporate purpose, strategy and governance, (ii) board composition and nomination, (iii) directors’ responsibilities, delegation and board proceedings, (iv) audit, internal control and risk management, (v) remuneration and (vi) shareholders engagement. Other than the disclosures made in the section headed “Board of Directors” below, the Company confirms that for the year ended 31 December 2024, it complied with all the Code Provisions.

BOARD OF DIRECTORS

To serve the best interests of the Company and its shareholders, the Board is responsible for reviewing and approving major corporate matters, including, amongst others, business strategies and budgets, major investments, capital market operations, as well as mergers and acquisitions. The Board is also responsible for monitoring risk management and internal control, reviewing environmental, social and governance strategies, reviewing and approving the announcements periodically published by the Company regarding its business results and operating activities. There is no financial, business, family or other material/relevant relationship(s) between the Board members.

In order to achieve a sustainable and balanced development, the Company views Board diversity as a key element for supporting its strategic goals and maintaining sustainable development. The Board membership maintains wide representation. Members of the Board consist of outstanding individuals from different professions. Currently, the Board comprises eight Directors, including four executive Directors and four independent non-executive Directors. Particulars of the Directors are set out on pages 28 to 39 of this annual report. The Company believes that the Board currently comprises experts from diversified professions such as telecommunications, technology, finance, investment and management, and is diversified in terms of gender, age, duration of service, educational background, professional experience, etc., which contributes to the enhanced management standard and more regulated operation of corporate governance of the Company, and results in a more comprehensive and balanced Board structure and decision-making process.

The below sets out the analysis of the current composition of the Board:

The roles and responsibilities of the Chairman and the Chief Executive Officer of the Company were performed by the same individual for the year ended 31 December 2024. The Company considers that, as all major decisions are made by the Board and relevant Board Committees after discussion, through supervision by the Board and the independent non-executive Directors together with effective internal control mechanism, the Company has achieved a balance of power and authority. In addition, the same individual performing the roles of the Chairman and the Chief Executive Officer can enhance the Company's efficiency in decision-making and execution, effectively capturing business opportunities. In addition, Mr. Chen Zhongyue, the Chairman of the Company, was unable to attend the annual general meeting of the Company convened on 30 May 2024 due to other important work arrangement. The Company attaches high regards on the annual general meeting which provides an opportunity for direct communication between the Board and the shareholders of the Company. Therefore, the Chairman of the Company had appointed another executive Director to chair the said annual general meeting and answer the questions raised by the shareholders.

For the year ended 31 December 2024, the Company had 4 independent non-executive Directors representing over one-third of the Board with 2 independent non-executive Director possessing appropriate professional accounting or related financial management expertise as required under Rule 3.10 of the Listing Rules. All independent non-executive Directors of the Company possess good knowledge and experience in different areas. The Company has established various channels for independent non-executive Directors to express their views in an open and honest manner and, if necessary, in a confidential manner. The independent non-executive Directors have been making positive contributions to the development of the Company's strategies and policies through independent, constructive and informed advice.

Apart from the regular Board meeting, the Chairman meets annually with independent non-executive Directors, without the presence of other Directors, which further promotes the exchange of diversified views and opinions. Independent non-executive Directors have maintained close contact with the management and actively express constructive opinions on matters relating to corporate governance, operation management, risk prevention and the capital market at board meetings. These views and opinions facilitate the Board in making their decisions in the shareholders' best interests. All independent non-executive Directors, except for their equity interests and remuneration disclosed in this annual report, do not have any business with or financial interests in the Company, its holding company or subsidiaries, and have confirmed their independence to the Company upon appointment and annually. The Company considers that all independent non-executive Directors are currently independent. Such mechanisms enable independent views and inputs are available to the Board in an effective way, and the Board will review the implementation and effectiveness of such mechanisms on an annual basis. The functions of non-executive Directors include, amongst other things, attending board meetings, exercising independent judgements at meetings, playing a leading role in resolving any potential conflicts of interest, serving on committees by invitation and carefully examining whether the performance of the Company has reached the planned corporate targets and objectives, and monitoring and reporting on matters relating to the performance of the Company. With respect to the nomination and appointment of new directors and senior management members and the succession planning for Directors, the Nomination Committee would, after considering the Company's need for new directors and/or senior management members, identify a wide range of candidates from within the Company and the human resources market and make recommendations to the Board. The Nomination Committee will consider candidates on merit against objective criteria and with due regard to the benefits of diversity on the Board,

## CORPORATE GOVERNANCE REPORT

including but not limited to gender, age, cultural and educational background, professional experience, skills, knowledge and duration of service. After having obtained the consent from candidates in relation to the relevant nomination and based on the Company's actual needs, the Board would convene a meeting, attendees of which include non-executive Directors, to consider the qualifications of the candidates. The Directors of the Company (including non-executive Directors) are not appointed for a specific term. However, every director should be subject to retirement by rotation at least once every three years. And pursuant to the Company's articles of association, one-third of the directors shall retire from office by rotation and shall be eligible for re-election at each annual general meeting.

On 10 April 2024, Mr. Jian Qin was appointed as an executive Director and President of the Company, and Mr. Fan Chun Wah Andrew was appointed as an independent non-executive Director of the Company. Mr. Jian Qin and Mr. Fan Chun Wah Andrew had obtained legal advice in relation to the requirements, duties and obligations under the Listing Rules that are applicable to them as a director of a listed company on 8 April 2024 and 9 April 2024 respectively from an external legal adviser qualified to advise on Hong

Kong law pursuant to Rule 3.09D of the Listing Rules. Mr. Jian Qin and Mr. Fan Chun Wah Andrew had confirmed that they understood their obligations as a director of a listed company. Every newly appointed Director is provided with a comprehensive, formal and tailored induction on appointment, including but not limited to the "Guidelines on Directors' Duties" published by the Hong Kong Companies Registry and the "Guidelines for Directors" published by the Hong Kong Institute of Directors. Directors have fiduciary responsibilities to the Company. They must not exercise their powers for improper purposes. They must not use the Company's opportunities to serve their own interests. Their personal interests are not allowed to conflict with the Company's interests, and they must not abuse the Company's assets. The Director would subsequently receive all briefing and professional development necessary to ensure that he/she has proper understanding of the Company's operations and businesses, full understanding of his/her responsibilities under the statutes, the common law, the Listing Rules, applicable legal and regulatory requirements, and the Company's business and corporate governance policies. Furthermore, formal letters of appointment setting out the key terms and conditions of the Directors' appointment will be duly prepared.

Directors' training is an ongoing process. The Company regularly invites various professionals to provide trainings on the latest changes and development of the legal and regulatory requirements as well as the market and/or industrial environment to Directors. In 2024, the Directors as at 31 December 2024 have participated in various training and continuous professional development activities and the summary of which is as follows:

The Company has determined remuneration policy. The proposed remuneration package of Directors of the Company will be determined by the Remuneration Committee, subject to approval by the Board and in compliance with applicable laws, regulations and policies, and taking into account the responsibilities of such person in the Company, his experience and performance as well as the prevailing market conditions. The remuneration package for executive Directors includes salary and performance-linked annual bonuses. The remuneration of executive Directors is determined by reference to their respective duties and responsibilities in the Company, their respective experience, prevailing market conditions and applicable regulatory requirements while the award of the performance-linked annual bonuses is tied to the attainment of key performance indicators or targets set by the Company. The remuneration of non-executive Directors is determined by reference to prevailing market conditions and their respective responsibilities and workload from serving as non-executive Directors and members of the board committees of the Company. The Company also adopted share option scheme for the purpose of providing long term incentives to eligible participants, including Directors (details of such share option scheme are set out in the paragraph headed "Share Scheme of the Company" on pages 70 to 71 of this annual report). The remuneration for each Director and the remuneration of senior management by band are disclosed on pages 149 to 151 of this annual report. In addition to the remuneration, the Company has arranged appropriate insurance coverage in respect of legal action against the Directors.

The Board has provided clear guidelines for delegation of powers and responsibilities to management. However, certain important matters must be decided only by the Board, including, but not limited to, long-term objectives and strategies, annual budget, initial announcements on quarterly, interim and final results,

dividends, major investments, equity-related capital market operations, mergers and acquisitions, major connected transactions and annual internal control evaluation. The arrangements on delegation of powers and responsibilities to management are reviewed by the Board periodically to ensure that they remain appropriate to the needs of the Company.

The Board convenes meetings regularly and all Directors have adequate opportunity to be present at the meetings and to include matters for discussion in the meeting agenda. Notices of regular board meetings are delivered to the Directors at least 14 days in advance of the meetings. The Company delivers, on a best endeavor basis, all documents for regular board meetings to the Directors for review at least one week prior to the meetings (and ensures that all documents are delivered to the Directors no less than three days prior to the regular meetings as required by the Code Provisions).

The Company Secretary, being an employee of the Company, has day-to-day knowledge of the Company's affairs and reports to the Chairman of the Board. The Company Secretary keeps close contact with all Directors and ensures that the operation of the Board and all board committees is in compliance with the procedures as set forth in the Company's articles of association and the charters of the board committees. Additionally, the Company Secretary is responsible for compiling and regularly submitting draft minutes of board meetings and committee meetings to the Directors and committee members for their review and comments, and final versions of minutes for their records, within a reasonable time after the relevant meetings. Each Director may obtain advice from and the services of the Company Secretary to ensure that board procedures, and all applicable rules and regulations, are followed.

Board meetings will be held for the selection, appointment or dismissal of the Company Secretary. To ensure the possession of up-to-date knowledge and market information to perform her duties, the Company Secretary attended over 15 hours of professional training in 2024.

The Directors may, upon request, obtain independent professional advice at the expense of the Company. In addition, if any substantial shareholder of the Company or any Directors has significant conflicts of interest in a matter to be resolved, the Board will convene a board meeting in respect of such matter and those Directors who have conflicts of interest must abstain from voting and will not be counted in the quorum of the meeting.

All Directors are required to devote sufficient time and attention to the affairs of the Company. A culture of openness and debate are promoted in the Board and the Directors are encouraged to express their views and concerns. The Company provides monthly operating update to the Directors, so as to ensure the Directors are familiar with the Company's latest operations. In addition, through regular board meetings and reports from management, the Directors are able to clearly understand the operations, business strategy and latest development of the Company and the industry. Besides formal board meetings, the Chairman also meets annually with independent non-executive Directors, without the presence of other Directors, which further promotes the exchange of diversified views and opinions. In order to ensure that all Directors have appropriate knowledge of the matters discussed at the meetings, adequate, accurate, clear, complete and reliable information regarding those matters is provided in advance and in a timely manner, and all Directors have the right to inspect documents and information in relation to matters to be decided by the Board. The Directors have frequently visited various branches in Mainland China to gain better understanding of the Company's daily operations. In addition, the Company has arranged relevant trainings for the Directors (which include training sessions conducted by professional advisers, such as lawyers and accountants, from time to time) in order to broaden their knowledge in the relevant areas and to improve their understanding of the Company's business, legal and regulatory requirements and the latest operational technologies. The Board also conducts annual evaluation of its performance. Such efforts have improved the corporate governance of the Company.

In 2024, the Board held four board meetings and passed four written resolutions for, amongst other things, discussion and approval of important matters such as the 2023 annual results, the 2024 annual budget, the 2024 interim results, the first and the first three quarters results for 2024, sustainability report, reports on risk management and internal control, amendment of the articles of association, revision of annual caps for continuing connected transactions, appointment of executive Director and president, appointment of independent non-executive Director and appointment of senior vice president.

## CORPORATE GOVERNANCE REPORT

The Company has adopted the “Model Code for Securities Transactions by Directors of Listed Issuers” as set out in Appendix C3 to the Listing Rules (the “Model Code”) to govern securities transactions by directors. Further to the specific enquiries made by the Company to the Directors, all Directors have confirmed their compliance with the Model Code for the year ended 31 December 2024.

The Directors acknowledge their responsibilities for preparing the financial statements for the year ended 31 December 2024, which give a true and fair view of the financial position of the Company as at the statement of financial position date and financial performance and cash flows of the Company for the year ended the statement of financial position date, are properly prepared on the going concern basis in accordance with relevant statutory requirements and applicable financial reporting standards. A statement of the independent auditors about their reporting responsibilities related to the financial statements is set out in the independent auditor’s report on pages 88 to 92 of this annual report.

### COMMITTEES UNDER THE BOARD

The Company has established three committees of the Board under the Board, the Audit Committee, the Remuneration Committee and the Nomination Committee. Each committee has a written charter, which is available on the websites of the Company and the Hong Kong Stock Exchange. From time to time as required by the Listing Rules, the Board also establishes independent board committee for the purpose of advising and providing voting recommendations to independent shareholders on connected transactions and transactions subject to independent shareholders’ approval entered into by the Company and/or its subsidiaries. The committees are provided with sufficient resources, including, amongst others, obtaining independent professional advice at the expense of the Company, to perform their duties. The committees report their decisions or recommendations to the Board after meetings.

### Audit Committee Composition

Currently the Audit Committee comprised Mr. Chung Shui Ming Timpson, Mr. Cheung Wing Lam Linus, Mrs. Law Fan Chiu Fun Fanny and Mr. Fan Chun Wah Andrew all being independent non-executive Directors of the Company. The Chairman of the Audit Committee is Mr. Chung Shui Ming Timpson. All members of the Audit Committee have satisfied the “independence” requirements in relation to an Audit Committee member under applicable laws, regulations and rules. The Chairman of the Audit Committee is an accountant with expertise and experience in accounting and financial management. Another member of the Audit Committee is also an accountant with extensive accounting professional experience.

### Major Responsibilities

The primary responsibilities of the Audit Committee include: as the key representative body, overseeing the Company’s relationship with the independent auditor, considering and approving the appointment, resignation and removal of the independent auditor; pre- approval of services and fees to be provided by the independent auditor based on the established pre-approval framework; supervising the independent auditor and determining the potential impact of non-audit services on such auditor’s independence; reviewing quarterly and interim financial information as well as annual financial statements; coordinating and discussing with the independent auditor with respect to any issues identified and recommendations made during the audits; reviewing correspondences from the independent auditor to the management and responses of the management; discussing the risk management and internal control system with the management as well as reviewing the reports on the risk management and internal control procedures of the Company. The Audit Committee set up a whistle-blowing system to receive and handle cases of complaints regarding the Company’s financial reporting, internal control or other matters. The whistle-blowers can use, in confidence and anonymity,

to raise concerns about possible improprieties in any matter related to the Company through whistle-blowing channels. Any complaints on the aforementioned subject matters can be submitted by post (No. 21 Financial Street, Xicheng District, Beijing, 100033, China) or by phone (86-(010) 88091674). The Audit Committee is responsible to and regularly reports its work to the Board.

#### Work Completed in 2024

The Audit Committee meets the Board and management as well as independent auditor at least four times each year, and assists the Board in its review of the financial statements to ensure effective risk management and internal control as well as efficient audit. Besides, the Audit Committee meets the independent auditor at least two times each year, without the presence of other Directors and management.

The Audit Committee held four meetings in 2024 for, amongst other things, discussion and approval of the 2023 annual results, the 2024 interim results, and the first and the first three quarters results for 2024. In addition, the Audit Committee approved in the meetings the sustainability report, the report of the work of sustainability, the report on risk management, the report on internal audit and internal control, the report on continuing connected transaction, the revision of annual caps for continuing connected transactions, the appointment, the audit fees and the audit plans of the independent auditor as well as the non-audit services provided by the independent auditor in 2024.

The Audit Committee has performed its duties effectively, and enabled the Board to better monitor the financial condition of the Company, supervise the risk management and internal control (included but not limited to operational, financial, compliance, environmental, social and governance) of the Company, ensure the integrity and reliability of

the financial statements of the Company, prevent significant errors in the financial statements and ensure the Company's compliance with the relevant requirements of the Listing Rules with respect to audit committee.

#### Remuneration Committee Composition

Currently the Remuneration Committee comprised Mr. Cheung Wing Lam Linus, Mr. Chung Shui Ming Timpson and Mr. Fan Chun Wah Andrew, all being independent non-executive Directors of the Company. The Chairman of the Remuneration Committee is Mr. Cheung Wing Lam Linus.

#### Major Responsibilities

The primary responsibilities of the Remuneration Committee include: making recommendations to the Board on the policies and structure for all Directors' and senior management's remuneration and on the establishment of a formal and transparent procedure for developing remuneration policy; reviewing and approving the management's remuneration proposals with reference to the corporate goals and objectives set by the Board; making recommendations to the Board on the remuneration packages of individual executive Directors and senior management (including benefits in kind, pension right and compensation payments, including any compensation payable for loss or termination of their office or appointment); making recommendations to the Board on the remuneration of non-executive Directors; consulting the Chairman about the remuneration proposals for other executive Directors; considering salaries paid by comparable companies, time commitment and responsibilities and employment conditions elsewhere in the Group; considering any concrete plan proposed by the management of the Company for the grant of option or share which has not been granted, and any plan to amend any existing share scheme of the Company; reviewing and approving compensation payable to executive Directors and senior management for any loss or termination of

## CORPORATE GOVERNANCE REPORT

office or appointment to ensure that it is consistent with contractual terms; reviewing and approving compensation arrangements relating to dismissal or removal of Directors for misconduct to ensure that they are consistent with contractual terms; and ensuring that no Director or any of his/her associates is involved in deciding his/her own remuneration.

### Work Completed in 2024

The Remuneration Committee meets at least once a year. The Remuneration Committee held one meeting in 2024 for, amongst other things, discussion and approval of the proposal for appraisal and remuneration of senior management.

The Remuneration Committee has performed its duties effectively on reviewing and approving the proposal of appraisal of senior management, as well as making recommendations to the Board with regards to the remuneration packages for senior management.

### Nomination Committee Composition

Currently the Nomination Committee comprised Mr. Chung Shui Ming Timpson, Mr. Chen Zhongyue and Mrs. Law Fan Chiu Fun Fanny. Except for Mr. Chen Zhongyue, who is the executive Director, Chairman and CEO of the Company, Mr. Chung Shui Ming Timpson and Mrs. Law Fan Chiu Fun Fanny are independent non-executive Directors of the Company. The Chairman of the Nomination Committee is Mr. Chung Shui Ming Timpson.

### Major Responsibilities

The primary responsibilities of the Nomination Committee include: reviewing the structure, size and composition (including the skills, knowledge and experience) of the Board at least annually and making recommendations on any proposed changes to the Board to complement the corporate

strategy of the Company; identifying individuals suitably qualified to become Board members and making recommendations to the Board; formulating, reviewing and implementing the board diversity policy; assessing the independence of independent non-executive Directors; making recommendations to the Board on the appointment or re- appointment of Directors and succession planning for Directors; providing advice to the Board on candidates of the senior management nominated by the CEO and on changes to the senior management of the Company.

### Work Completed in 2024

The Nomination Committee meets at least once a year. The Nomination Committee held one meeting and passed three written resolutions in 2024 for, amongst other things, reviewing the structure, size and composition of the Board, reviewing the board diversity policy and its implementation, assessment of the independence of independent non-executive Directors, making recommendations to the Board on the proposed re-election of Directors and the appointment of executive Directors, independent non-executive Director and senior vice presidents.

The Company has determined nomination policy. With respect to the nomination and appointment of new directors and senior management members and the succession planning for directors, the Nomination Committee would, after considering the Company's need for new directors and/or senior management members, identify a wide range of candidates from within the Company and the human resources market and make recommendations to the Board. The Nomination Committee will consider candidates on merit against objective criteria and with due regard to the benefits of diversity on the Board, including but not limited to gender, age, cultural and educational background, professional experience,

skills, knowledge and duration of service. After having obtained the consent from candidates in relation to the relevant nomination and based on the Company's actual needs, the Board would convene a meeting, attendees of which include non-executive Directors, to consider the qualifications of the candidates. Every director should be subject to retirement by rotation at least once every three years. And pursuant to the Company's articles of association, one-third of the Directors shall retire from office by rotation and be eligible for re-election at each annual general meeting.

The Company has also determined a policy concerning diversity of board members. The Company recognises and embraces the benefits of having a diverse Board, and notes increasing diversity at Board level as an essential element in maintaining a competitive advantage. All Board appointments are made on merit on a selective basis, in the context of the skills and experience the Board as a whole requires to be effective. In reviewing Board composition, the Nomination Committee will consider their professional knowledge, skills, experience and the balance of diversity of perspectives which are appropriate to the Company's business model and specific needs. In identifying suitable candidates for appointment to the Board, the Nomination Committee will give due regard to the benefits of diversity on the Board and base on a range of diversity perspectives including but not limited to gender, age, cultural and educational background, professional experience, skills, knowledge and duration of service. The ultimate decision will be based on merit and contribution that

the selected candidates will bring to the Board. The Board and the Nomination Committee review the board diversity policy as well as its implementation and effectiveness every year to ensure that the board diversity policy continues to serve its purpose. Currently the Board comprises eight members, amongst which two members, accounting for 25% of the whole Board, are female directors. The Board considers that gender diversity is achieved in respect of the Board, and targets to maintain at least the current level of female representation. In addition, the gender proportion (Male/Female) of all employees of the Company is 1.62:1. The female representation in senior management has continuously increased, from 11.9% in 2019 to 12.9% in 2024. The Company targets to maintain at least the current level of female representation in the workforce (including senior management). The Company is not aware of any mitigating factors or circumstances which make achieving gender diversity across the workforce (including senior management) more challenging or less relevant. The Company strictly implements the Labour Law of the People's Republic of China and the Labour Contract Law of the People's Republic of China and related laws and regulations. Adhering to the principles of fairness, openness, and impartiality, the Company comprehensively upgraded the recruitment policy system. It upheld diversity and non-discriminatory employment practices. It strictly prohibits the publication of employment information containing discriminatory clauses related to gender, age, etc., that violate national regulations. Efforts are made to create a fair employment environment.

## CORPORATE GOVERNANCE REPORT

In addition, pursuant to the Company's articles of association, shareholder may propose other person for election as a director at general meeting. The proposal will be considered and approved in the general meeting. With regard to the procedure for shareholder to propose a person for election as a director, please visit the Company's website at [https://www.chinaunicom.com.hk/en/esg/cg\\_report.php](https://www.chinaunicom.com.hk/en/esg/cg_report.php).

### INDEPENDENT AUDITOR

Deloitte Touche Tohmatsu is the independent auditor of the Company. Apart from audit services, it also provides other assurance and non-audit services. The audit committees supervised the independent auditor and determined the potential impact of non-audit services on such auditor's independence, and pre-approved the services and fees to be provided by the independent auditor based on the established pre-approval framework. The remuneration paid/payable to the independent auditor for provision of services in 2024 is as follows:

Items	Note	2024 (in RMB thousands)
Audit services for financial statements	(i)	46,890
Other special purpose audit and assurance services	(ii)	4,853
Non-audit services	(iii)	1,379

Notes:

- (i) Audit services for financial statements in 2024 mainly included the provision of audit service for the Company's consolidated financial statements, and statutory audit services for the financial statements of its subsidiaries.
- (ii) Other special purpose audit and assurance services are the audit and assurance services other than the audit services for financial statements.
- (iii) Non-audit services included other services that can be reasonably provided by the independent auditor. In 2024, the provisions of non-audit services mainly included tax compliance services and other advisory services.

### RISK MANAGEMENT AND INTERNAL CONTROL

#### **Risk evaluation and management**

The Company has established and gradually improved its comprehensive closed-loop risk management system for the purpose of “integrating management of day-to-day general risks and spontaneous critical risks”, achieved the closed-loop management by risk evaluation, early warning and follow-up inspections to ensure the effectiveness of operation management. The Company evaluated the adequacy and appropriateness on risk and control measures according to the new business model, management requirement, change of system, adjustment of duties and findings from internal and external inspections.

#### **2024 Risk evaluation result**

The followings were the major significant risks which the Company encountered and its countermeasures in 2024:

##### **Network and cybersecurity risk**

As a fundamental telecommunications enterprise, the Company possesses a modern communication network spans the nation and connects to the world, along with a global customer service system. The services benefit thousands of households and various industries. Network and cybersecurity are not only a prerequisite for the Company’s high-quality development, but also crucial for personal information security, enterprise security, and even national security. The Company attaches great importance to network and cybersecurity, strictly complies with the requirements of national laws and regulations, and insists on serving the construction of Cyber Superpower and Digital China. We take the maintenance of network and cybersecurity as an important mission of defending the territory, and are committed to serving as the leading contributor of digital information operation and services and the pioneer of digital technology integration and innovation.

#### **Risk of the quality of government and enterprise business and arrears management**

With the vigorous development of the digital economy, new technologies, new business forms, and new models are constantly emerging. The profound changes resulting from the deep integration of the digital economy and the real economy provided vast opportunities for the innovative transformation, enhancement of core competitiveness, and sustainable development of the Company. The Company attaches great importance to the research and development of innovative products, persistently strengthens its independent service capabilities and the integration of self-developed products, while accelerating the development of computing power services and sustainable revenue businesses for innovative standardised products. The Company is fully pushing forward the credit rating management of key business clients and optimising the structure of government and enterprise clients.

#### **Risk of Compliance of Foreign Export Control**

In recent years, the competition between China and the United States in the high-tech sector has intensified. The United States has frequently enacted anti-Chinese regulatory policies and conducted targeted investigation. The Department of Commerce of the United States has continuously strengthened its suppression of supercomputing, artificial intelligence and other high-tech fields of China. The Company attaches great importance to complying with foreign export control requirements. It enhances the monitoring and research of export control regulations of the United States, promptly analyses and assesses risk dynamics, improves the compliance review process for Computing and Digital Smart Applications business, reinforces pre-transaction checks on counterparties to ensures that transaction models do not violate key U.S. export control regulations.
